Dear Hero Philanthropist:

For the past decade, Damien Posey, Founder of Us 4 Us Bay Area has been supporting the needs of the local San Francisco Community through mentoring at risk youth and young adults. Through his work with the youth and various other non-profits in the San Francisco Bay Area, Us 4 Us BayArea was born.

The mission of Us 4 Us Bay Area is uplifting young adults through community action, violence prevention, mentorship, resources and promoting self-awareness. The youth and young adults of Us 4 Us Bay Area, volunteer their time supporting the community with intense community action that includes; community clean-ups, assisting Senior Citizens, supporting the less fortunate and assisting other programs with community projects all over the San Francisco Bay Area.

The generosity of the people in the community makes it possible for us to fulfill our mission. During this unprecedented time, Us 4 Us Bay Area has been on the frontline providing Personal Protective Equipment (i.e. masks, gloves, water, food, etc.) to those in need.

In order to amplify our mission and continue to meet the needs of our most vulnerable population, we need your help, your donation will do just that. In-kind donations are greatly welcomed.
